

*Severity of the Northern States in arresting and returning fugitive Slaves.*

5.

Describe the cartoon above. What do you think is the artist's intent in creating this cartoon? (Be sure to look at the text on the bottom).

6. "They are continually increasing in number, in influence, in enterprise and determination; and, judging from the success which has already attended their measures, they anticipate that, in a comparatively short period, the entire North will receive you with open arms, and give you shelter and protection, as fast as you escape from the South."

Excerpt from "The Liberator", a Boston newspaper operated by William Lloyd Garrison, a white abolitionist from New England

How does this excerpt differ from the political cartoon above?
