

Chapter 14 Test

Name: _____

Date: _____

1. Canal owners opposed railway expansion in the early 1800's. Is this a true statement? Why did canal owners support/oppose the expansion of rails?

2. What is Nativism?

3. With reference to the Papal States, explain why certain Americans did not trust Catholics. (Think about how the United States is set up as a government as opposed to the Papal States).

4. Slavery did not get mentioned in the Constitution as to whether or not it should continue as an institution. Why was this the case?

5. A majority of Southerners were plantation owners who owned vast amounts of slaves. Is this valid (true)? Explain your reasoning.
