

Dear 5th Grade Parents/Families:

I am writing to inform you that the students will be beginning studying Family Life very shortly. I know that most of you are familiar with this series as it has been covered in previous years. I ask that you sign below to allow your son or daughter to partake. Otherwise they will have to leave the classroom and work on other material assigned to them during these periods. If you are not comfortable with signing before seeing what they are covering please mark that option and I will gladly send a copy home for your review. If you find anything that is disagreeable and you do not wish for them to partake in this unit then mark that when the book is returned.

Please return to classroom by February 5th, 2021.

I give permission for _____ to participate in studying the Family Life book.

I do not give permission for _____ to participate in studying the Family Life book.

I would like to see a copy of the book before making my decision.

Thank you and have blessed day,

Mr. Ryan
