

Mound Builders, Anasazi and Inuit: Early North Americans

	What were the different reasons the Mound Builders built their mounds?	How do we know that they valued trade?	How long ago did their culture begin and how long did it last?
Mound Builders			

Mound Builders, Anasazi and Inuit: Early North Americans

	How did the people adapt to their environment so they had food?	Does this tribe still exist today? If not, what is a theory as to why they disappeared?	How did they build their homes?
Anasazi
